universum carrousel journey

Some sets of words. Words of a **studio** Words of this studio. Words of your studio.

Words of a universum. Words in a carrousel. Words on a journey. The universum architecture can be. The carrousel architecture will be. The journey architecture need to undertake. Universum as a personal world. Carrousel as an ongoing world. Journey as a discovery of the world.

This studio is called universum carrousel journey. This studio's **atelier** will be given the title **universum**. The **lectures** will be held under the title **carrousel**. And the **travels** will be named **journey**. But they will be interchanged at times. As the studio is named universum carrousel journey.

Re-practice and **prac-teach** underlines the idea of 'teach-ing' and 're-search' from out of a practice based perspective. A perspective which is about **making** and **meaning**. About realising and reflecting. About **meandering** between the making and the meaning. But also between worlds—finding other universes—and ideas—ongoing and revolving—and cultures—the journey in between—.
